Dive courses are conducted according to PADI standards to ensure diver safety and the protection of the environment. Due to the remote location of Fiji we advise to have a dive insurance covering emergency evacuation and travel insurance to cover potential cancellation fees resulting from bad weather, airline or other transportation changes, unforeseen disruptions, cancellations or for illness. Dive courses in Fiji require a **statement for medical fitness**. In case of a 'yes' to any of the questions, clearance from a physician is needed.

### Your Instructors

**Jone Waitaiti** – PADI MSDT; certified technician for ScubaPro and Atomic

Started as a Dive Guide in his home country Fiji; worked in one of the largest dive shops in Germany, where he got certified as a PADI Instructor and gained his experience in equipment quality and service.

**Marina Walsler** – PADI IDC Staff Instructor

Started as a CMAS diver, had many years of diving around the world before becoming a Divemaster in Germany and Instructor in Thailand; worked as an instructor and guide in Germany, Indonesia and now Fiji. We are qualified to teach a broad variety of PADI Specialty Programs, see course list above.

### Social Engagement and Marine Conservation by Dive Academy Fiji – Your choice matters

We believe that awareness and education are key to the protection of our environment. To maintain the health and beauty of the Rainbow Reef, we organise regular clean-ups in Taveuni and Viani Bay. We recently started a coral farming project in Viani Bay with the help of the locals who volunteer as coral farmers and made the nursery a non-fishing area. Our guests are welcome to visit the coral farm and actively participate. To increase awareness about the marine eco-system, we teach in the local Primary School about marine life and its protection and offer free of charge Discover Scuba Dives for locals. Through our scholarship program we help locals to become dive professionals without being bound to a long-term contract at a dive shop.

**Through your booking you help us to fund the scholarship program. We allocate 50 FJD per dive course to our scholarship program and appreciate donations for our coral farming project.**

### Booking Terms and Conditions

All prices are quoted in FJD including taxes. Booking can be made on the spot on a first-come-first serve basis. Confirmed bookings can be made with a deposit of 50% of the invoice amount to our bank account or by Western Union. The deposit is not refundable and not transferable. The remaining amount has to be paid 30 days upfront. Any fees or exchange rate fluctuations are to be covered by the payer. The amount credited to our account must reflect the full invoice amount, including transfers fees on both sides of the banks and exchange rate fluctuations by the time of crediting. Potential discrepancies can be settled on site in cash or by credit card (VISA, MasterCard) for which a fee of 5% occurs. Prices are subject to change until the full payment was made in case of cost implications beyond our control like taxes or fuel prices. On the spot bookings can be paid in cash or by credit card. Start today by booking the respective eLearning course directly from [www.padi.com/elearning](http://www.padi.com/elearning) using our store key 26705. For non-digital courses, you can purchase your manuals from us.

### Cancellation Policy

Cancellations up to 30 days upfront require a cancellation fee of 50%, afterwards the full amount is due. We don't hold responsible for circumstances beyond our control like changes in flights, bad weather or illness which may result in no-shows or unused days diving. We however strive to accommodate unforeseen events as best as possible, e.g. by moving your course days. Uncompleted courses can be recovered within the next 12 months, whereby price changes due to seasonality or cost increases might apply. We will issue a referral form stating the completed elements of your course. Cancelled dives due to our fault will be credited / paid back.

Prices valid until 31 December 2019 and subject to change in case of changes in external cost components.
